

# **Welcome, Newcomer, to StepSponsorDA Step Study Workshop**

## **DAILY MORNING PHONE CALL**

Our interactive workshop will help you study the literature of Alcoholics Anonymous and Debtors Anonymous, work the Twelve Steps, and use the D.A. tools in your everyday life. If you are brand new to D.A. or StepSponsorDA phone workshop, simply listen until you understand our approach and feel comfortable reading the literature aloud or sharing on what is read. At the end of each call is a specified time to ask questions and request prayers of recovery. Jot down members' contact information for outreach. You are not alone!

For all correspondence of any type, use our email address: [info@stepsponsorda.com](mailto:info@stepsponsorda.com) and indicate your question or request in the subject line. You can also communicate with our members and moderators who give their contact information on the Daily Call.
